SUMMER SCHOOL 2027

The BOSS Summer School is a seven-week residential programme welcoming young learners aged 8 to 17 to the beautiful English countryside. It brings together high-quality English lessons, leadership development and exciting adventures, giving every student the chance to grow in confidence in a safe and supportive environment.

Every day is full of variety. Students enjoy interactive English lessons, work towards the Leadership Skills Foundation's Young Leader Award and take part in a packed timetable of sports, arts, games and trips to world-famous destinations such as London, Brighton and Hastings. The focus is always on communication, teamwork and fun, helping students build new skills and make international friendships that last.

At BOSS, learning does not stop when lessons finish. It continues through play, challenge and shared experience. Whether in class, on the pitch or during evening activities, every moment helps students become more independent, curious and ready to take on the world. That is what it means to be BOSS — a community where everyone belongs and everyone can shine.

A Little Note from the BOSS Team

This programme gives you a clear idea of what to expect at BOSS this summer. While we do our very best to keep everything as planned, sometimes changes are needed due to circumstances beyond our control.

If any adjustments are made, we will always offer activities or excursions of equal or greater value and make sure everyone is informed in good time. Returning students or those who have already visited a planned attraction will be given exciting alternatives.

If you have any questions, please contact us at summerschool@buckswood.co.uk or visit our website.

We cannot wait to welcome you to BOSS this summer. Every day brings something new to discover.
